

and labor; they shall bring valuable experiential qualifications and scientific/technical knowledge.

The purpose of these public meetings is to provide a final update on the completion of Phase I: Data Assessment and Retrieval for the SRS Dose Reconstruction Study. The objective of Phase I is to locate, evaluate, and catalog historical records that can be used to reconstruct contaminant releases and public exposures from the SRS. Phase I will be completed on June 30, 1995. Meeting agenda items will include: review of the key records found in both classified and unclassified repositories; summaries of task reports; a demonstration of the final computerized database; updates on the proposed SRS Health Effects Subcommittee and the SRS Phase II Contract; and public comments and suggestions.

Agenda items are identical for each meeting, and subject to change as priorities dictate.
